

appointment policy

At The Spa At Great Southern, "Appointment" means we reserve the time, the student, the staff and the facility to properly complete your service. "No Shows" are a disruption to our program, and a disservice to the student's educational opportunity. Therefore, we consider this policy fair:

- Appointments are not required, but are recommended.
- To reserve any Spa service, a 50% advanced payment is necessary. We accept cash, check, credit card or gift certificate.
- There will be no charge provided the reservation is canceled at least 24 hours prior to the scheduled appointment.
- Please be on time. If you arrive more than 15 minutes late, we will attempt to provide the complete service but reserve the right to abbreviate as necessary.

gift certificates

Gift certificates may be purchased in the dollar amount of your choice, or by designated treatment.

All treatments and services are performed by student cosmetologists, under the supervision of licensed cosmetology instructors.
